GOLDEN STRING, INC.

Golden String, Inc. is a 501(c)3 non-profit organization founded in 2000 specifically designed to raise funds to provide recreation and socialization activities to adults and children in the Mahoning Valley area with multiple mental and physical disabilities. Our mission is to enhance the quality of life for disabled individuals in our community. We do this through providing opportunities for these people to have social outlets such as day and weekend getaways, parties, games, dances, an annual bowling league, camping and boating, picnics and holiday themed events. Golden String prides itself on fostering these activities that gives special needs individual's entertainment, fun and the chance to be socially independent.

The Golden Ticket of Kindness Award

The Golden Ticket of Kindness award is a grant given out to deserving individuals with special needs outside of their mental or physical disability. The award, in the form of a monetary donation, gift of merchandise or a Golden String service to name a few, is given away on a monthly basis. The recipients of this award first need to be nominated by anyone within or outside the Golden String family. Some of the past awards received have been cash giveaways, gift cards, shoes, mattress pads, bedding, clothing, paid utilities and free participation in Golden String activities. Nominations and donations are accepted daily and the chosen recipient is decided by the board at the standard monthly board meeting.
